- SharePoint Development & Administration
- Software Engineering

## Cyber Security

- Enterprise Security
  - Risk Management Framework (RMF)
  - Defensive Cyber Operations (DCO)
  - Cyber Strategies
  - Test & Evaluation (T&E)
  - Training

## Engineering, Architecture & Design Solutions

- Enterprise Solutions
  - Architecture
  - Management
  - Design

## Enterprise Infrastructure Operations & Engineering Services

- Disaster Recovery
- Continuity of Operations (COOP)
- Domain/Forest Wide Migrations
  - User Accounts
  - Data
  - Email
  - Applications
  - Server Workloads
- Enterprise Infrastructure Services
  - Core Infrastructure
  - Desktop
  - Domain
  - Server Provisioning
- Systems Operations & Engineering
  - Call Center Services
  - Desktop Support Services
  - Help Desk
- Secure IT Infrastructure Engineering / Installation
  - Virtual Desktop Implementation

## Physical Security

- Physical Security
- Access Control Systems
- Video Surveillance Services

## Program / Project Management

- Project Planning & Support
- Strategic Planning
- Technical Staffing

# Past Performance & Accomplishments

- Led the technical Migration/Consolidation for Joint Staff, NGB, HQDA, EITSD, OSD-CIO, WHS, PFPA, ITA, DoDEA, DTSA, DSCA, and other 4th Estate DoD Agencies into the DISA JSP Forest
